The Yard Brisbane and Todkill Marine Services Announce Strategic Partnership Focused on Quality and Capability

Brisbane, QLD — [10/07/2026] — JMD Park Pty Ltd, operating as The Yard Brisbane, is pleased to announce it has acquired the business of Todkill Marine Services. This new strategic venture will strengthen the delivery of high-quality marine infrastructure maintenance, repair, and support services across the Brisbane region and beyond.

Built on a shared commitment to workmanship excellence and rigorous quality assurance, the acquisition combines The Yard Brisbane's modern marine infrastructure and disciplined project delivery capability with Todkill Marine Services' strong reputation for responsive, high-quality marine construction and maintenance and technical expertise. The partnership is specifically designed to elevate service quality, consistency, and reliability for commercial and government infrastructure owners and vessel operators. Through this deal, clients will benefit from:

- Industry-leading quality standards and assurance processes
- Enhanced technical and compliance support
- Increased capacity for planned and reactive works
- A shared commitment to safety and quality
- Sustainable and improved infrastructure delivery

Julie Cook, of The Yard Brisbane, said quality is central to the company's strategic growth and vision.

"We are delighted to partner with Todkill Marine Services. Their marine services and infrastructure expertise and strong client relationships complement our shipyard and project capability. Todkill Marine Services brings deep technical expertise and a strong reputation for doing the job right the first time. Together, we are well positioned to deliver greater value and reliability to waterfront property and marine infrastructure owners as well as vessel owners and operators."

Phil Todkill, of Todkill Marine Services, added:

"As Owner / Director of Todkill Marine Services I have grown this business from a small family business to one of Southeast Queensland's most preferred Marine Services Specialist, contracting to many of Queensland's Coastal Councils and Australia's top ASX Listed Companies.

From a family of well-known Brisbane Mariners, I bring to The Yard Brisbane 50yrs of marine experience ranging from boat building in steel and aluminium fabrication, marine engineering, pile driving, drilling and extraction, wharf construction & maintenance works, marine salvage, vessel towing and a wide variety of structural marine services.

Quality has always been at the core of Todkill Marine Services. Partnering with The Yard Brisbane is an exciting step forward for the business and its clients. The Venture will enable us to grow our work force and capability with the on-site resources of The Yard Brisbane. This will further strengthen our safety and quality systems, allowing us to provide more integrated solutions while maintaining the responsive service that we're known for.

Angie and I are very excited, and we look forward to working with Julie, David and the team."

Both organisations emphasised that the partnership is underpinned by a mutual focus on safety and quality management systems, skilled personnel, and a continuous improvement mindset ensuring deliverables and environmentally responsible marine solutions.

The partnership is effective immediately, with joint service offerings now available to commercial, defence support, port, and government clients operating in Australian waters.
